We are looking for individuals to help us reshape services for older people and those with disabilities

Flexible Engagement: Participate online or face-to-face. Whichever suits you best.

Compensation: You will be compensated for your time and contributions.

How you can help:

Time: Spare just an hour, or more if you are able. We would love to include you in our workshops to hear your views on how things can improve.

Join in: Collaborate with the friendly teams at The SUN Network, and Cambridgeshire County Council's Care Together programme to provide valuable feedback.

Feel supported: You are welcome to be supported to attend by someone of your choice

Together, we can make a difference!
