Introduction

Ickleton Parish Council is committed to making its website accessible, in accordance with the Public Sector Bodies (Websites and Mobile Applications) (No. 2) Accessibility Regulations 2018.

This accessibility statement applies to <https://www.ickletonparishcouncil.org.uk/>

Compliance Status

This website is **partially compliant** with the **Web Content Accessibility Guidelines (WCAG) version 2.2 AA**, due to the non-compliances and exemptions listed below.

Non-Accessible Content

The content listed below is non-accessible for the following reasons:

Non-compliance with the accessibility regulations

- Some older PDF documents may not be fully accessible to screen reader software.

- Some documents may not be fully navigable using a keyboard.

We are working to address these issues and ensure all new content published is fully accessible.

Disproportionate Burden

We have assessed that fixing some older documents would place a disproportionate burden on the Parish Council due to limited resources and staffing. These documents include:

- Archived meeting minutes and agendas

If you need any of these documents in an accessible format, please contact us and we will provide them on request.

Content Not Covered by the Regulations

The accessibility regulations do not require us to fix:

- PDF documents or other files published before 23 September 2018, unless they are essential to providing services.
- Third-party content that is not under our control.

What We Are Doing to Improve Accessibility

We are taking the following steps to improve accessibility:

- Ensuring new documents are created in accessible formats
- Adding alternative text to images
- Improving colour contrast and link clarity
- Reviewing the website regularly against WCAG 2.2 AA standards
