Dear Customer

Important roadworks information
M11 northbound junctions 6 to 7 – resurfacing

I am writing to tell you that we plan to carry out resurfacing work on the M11 northbound between junctions 6 and 7. This will ensure the M11 continues to remain in a safe and serviceable condition.

We plan to complete this work over **four** nights starting on **Tuesday 10 November 2026.** We will work between **10pm** and **5am** only, weather permitting.

Closures and diversions
To carry out the work safely, we will need to close the M11 between junctions 6 and 7, and divert traffic as follows:

- Drivers should head eastbound on the M25 to junction 28
- At the interchange take the first exit and follow the A12 northbound towards junction 15 Margaretting
- At junction 15 take the second exit on the roundabout and follow the A414 towards Harlow
- Then rejoin the M11 at junction 7

Emergency vehicles will have access through the work with caution.

A map of the diversion can be found below.

How to find out more

If you would like more information, please contact us on 0300 123 5000, or by email at info@nationalhighways.co.uk.
