Dear Customer

UPDATE: Important roadworks information
M11 between junctions 14 (Girton Interchange) and junction 11 (Westfield Interchange) – road markings and drainage

I'm writing regarding the essential works on the M11 between junction 14 and junction 11 that we communicated to you about recently.

Due to a minor error on the diversion route maps we sent, we are sending you this communication again with the correct maps. We apologise for this.
